Acting Deputy Director
Central Intelligence Agency
Washington 25, D. C.

Dear Colonel White:

I have your letter of May 17 in which you confirm the conversation we had in my office last week relative to the consolidation of the Government Printing Office State Service Plant with the printing and reproduction facilities of the Central Intelligence Agency.

I am setting up a committee to go into this matter and as soon as they have determined their approach and are ready to discuss the matter with him we will contact Mr. James A. Garrison.

Very truly yours,
